Presentation by the Hungarian company: Linistry Co.

The solution which makes physical queuing unnecessary without the need for investment or for any mobile application download.

Everybody hates queuing. The Hungarian company developed 2 years ago the solution and delivers it to the Malaysian market with the help of their local partners Rinne Technologies.

- Let your mobile do the waiting.
- Linistry makes waiting fun and active - with only a click on your phone
- Why use Linistry? A reason why customers should choose you over the competition. Give them freedom of choice. Give them time!
