NEW TRENDS FOR ENTERPRISES INCORPORATING ESG & SEIZING THE OPPORTUNITIES FORUM 企业新风向 - 贯彻ESG, 先机在握研讨会

16 NOV 2022 (WED) | 1400 - 1730 | Khazanah Auditorium, Asia School of Business
Medium : Mandarin

Session 1 - ESG Trends, Crisis & Opportunity?

Speaker
GM of Risk Management Department, Bank of China (M) Bhd.
Mr. Tan Tii Lam

Mr. Tan Tii Lam is currently the Head of Risk Management Department in Bank of China (M) Bhd. and he has over 20 years of vast experience in the financial industry. His expertise encompasses commercial banking, credit and risk management, project and operational management, financial crime risk and internal audit. Mr. Tan graduated with a Bachelor of Science in Economics from University of London in 1998, earned Executive Master of Business Administration from Northwestern University and Hong Kong University of Science and Technology in 2014. He is also a Chartered Financial Analyst (CFA) charterholder, and accredited as Chartered Banker by AICB. During his tenure as Chief Risk Officer in one of the international financial institutions in China, he was recognized as a High-Level Foreign Talent by the Chinese Government and was also shortlisted to participate as a member of the think tank of China-Asean Research Centre to conduct research focusing on credit lending.

Session 2 - ESG & Risk Management

Speaker
Board Member of the Business Council for Sustainable Development Malaysia
Ms. Emily Oi

Emily Oi has been a youth professional advocating for climate change through her multi-sectoral involvement and experience. Currently a board member of Business Council for Sustainable Development (BCSD) Malaysia, Emily specialises in climate policy, climate education, and corporate sustainability. She's also attached to Environmental Defense Fund (EDF) – a global environmental non-profit organisation, where she helps facilitate Asia Pacific partnerships, conduct climate and energy policy research related to regional energy transition.

Prior to this, she was a Senior Policy Analyst with the Malaysian Green Technology and Climate Change Centre (MGTC), a federal government agency under the Ministry of Environment and Water. Emily also worked in the corporate sustainability field for couple of years. She was a supervisor with Ernst and Young (EY) Malaysia's Climate Change and Sustainability Services; and have served YTL Corporation Berhad's Group Sustainability Division before. Emily's involvement in youth-run climate change NGOs has built a strong foundation for her climate and sustainability journey. She was the mentor and programme manager for the Malaysian Youth Delegation (MYD); and a steering committee of Power Shift Malaysia.

Emily holds a MSc Environmental Monitoring and Management as well as a BEng Chemical Engineering with Environmental Engineering from the University of Nottingham Malaysia.

Session 3 - Experience Sharing of Implementing ESG

Speaker
Group MD of Muda Holdings Bhd.
Datuk Wira Lim Chiun Cheong

Datuk Wira Lim Chiun Cheong is the Managing Director of Muda Holdings Bhd. A pioneer company in the paper milling and packaging industry and the first paper product company listed in Bursa Malaysia.

Session 4 - Benefits for Greening of Commercial & Industrial Asset & Property

Speaker
MD of DME Solutions Sdn. Bhd.
Dr. Joseph Kong

Joseph Kong holds a Doctoral Degree in Sustainable Design. He is also a LEED Accredited Professional, a GBI Facilitator and a GreenRE Manager. He has received local and international awards in sustainable design, focusing on energy efficiency and resources management. He has also published a number of articles and conference papers, outlining passive and active design strategies for the tropical countries. Joseph is currently the Managing Director of DME Solutions Sdn Bhd. He led the company to become one of the leading consulting firms in its field, providing green and low carbon solutions.

Session 5 - Business Products Provided by Bank of China (M) Bhd. to Enterprises Practising ESG

Speaker
GM of Corporate Banking Department, Bank of China (M) Bhd.
Ms. Phelicia Ding

Ms. Phelicia Ding joined Bank of China (Malaysia) Berhad in 2009 and is currently the General Manager of Corporate Banking Department. She graduated with a MBA from University of Nottingham and has over 20 years' experience in Corporate Banking, Trade Financing and Syndication Loan. She is also well-exposed to Belt and Road Initiatives, business matching activities to promote bilateral trade between Malaysia and China.

Moderator

Editor of ESG at The Edge Malaysia
Ms. Nat Tan

Ms. Tan Zhai Yun (Nat) is the editor of the ESG section in The Edge Malaysia, a weekly financial newspaper.

Her section covers topics such as sustainability reporting, carbon markets, business and human rights, circular economy and others.

Member of ESG Committee, KLSCCCI,
Mr. Teoh Way Keat

Teoh Way Keat is a registered architect in Malaysia and in Victoria State, Australia. He is currently the Principal Architect for Teoh WK Architect, based in K.L. and he teaches Architectural Design Studios at Taylor's University.

As a member of the KLSCCCI's ESG Committee, Way Keat is very enthusiastic about issues surrounding ESG topic and hopes to promote and increase public's awareness on ESG.
