□

Speakers:

□

(i) Ms. Wan Khye Theng (Operations Manager for GrabCar and GrabTaxi of Grab Malaysia)

As the Operations Manager, her role is to oversee the day-to-day operations and growth of the GrabCar and GrabTaxi division.

□

Grab (formerly known as GrabTaxi) is a technology company that offers a wide range of ride-hailing and logistics services through its mobile app mainly in Southeast Asia, specifically in Malaysia, the Philippines, Singapore, Thailand, Vietnam and Indonesia. As of July 2016, the number of drivers registered in its network was over 350,000, and the Grab app was downloaded onto more than 19 million mobile devices across Southeast Asia.

□

(ii) Mr. Nadhir Ashafiq (Co-Founder & Executive Director of TheLorry)

TheLorry, an on-demand logistics platform that connects customers to lorry, van and 4x4 drivers. He previously co-founded Glokalise, a social networking app and has experience working in air freight logistics and investment banking.

□

TheLorry.com is a fast and easy lorry, van and 4x4 vehicle booking platform. It provides services such as lorry transport, professional house moving, office moving and furniture disposal. TheLorry provides quotation in under 30 seconds. The price is fixed, transparent and affordable. TheLorry partners with reputable and experienced drivers to ensure that customers' goods are transported safely and securely to its final destination.
