

We are pleased to inform you that the Malaysian Investment Development Authority (MIDA) will be organising an Industrial Park Forum with themed “Strengthening the Manufacturing Ecosystem” at WEIL Hotel, Ipoh, Perak on Thursday, 18 October 2018. □

The objectives of this forum are:

□

To provide a strategic meeting place for industrial park developers, prospective local and foreign manufacturers/investors, and local authorities to establish business linkages in strengthening the industrial ecosystem that would attract high value added investments and job creation.

□

To encourage the development of industrial clusters, particularly for SMEs, and eco-industrial parks.

For your kind information, YB Dr. Ong Kian Ming, Deputy Minister of International Trade and Industry (MITI) will deliver the keynote address at the forum. There will be a panel presentation and discussion session focusing on the parks’ facilities & infrastructure.

□

Participants would be able to interact directly with the developers, local authorities, foreign & local business chambers and utilities providers during the forum. Industrial park developers would also be given the opportunity to showcase and promote their industrial areas at the forum.
