

## Profit Club - Business Growth and Development Network

### WHY Profit Club?

Networking is a great idea but the challenge is finding the time and maintaining the motivation to keep it up and make it as a part of your business. If you're not really having fun and getting the benefits, you'll find it gets easier to find excuses that stop you going. So, we hope you will always have fun and learn a lot from your monthly group meetings

Very few people do any work 'on' their business and they generally work 'in' it... until it's too late. By being a member you will get to attend business building workshops run by KCCCI Youth that teach you how to work on your business and so avoiding this common pitfall and helping you to grow your business

Statistics show that the average person knows at least 200 other contacts. By being a member, you have an instant network of 3,000 people who are having your product or service recommended to them

Specifically cater for small to medium sized business owners. Each event is designed so that you maximize your potential: build your business, your network, your profit, your knowledge!
