巴生中华总商会成立至今已有71年的历史。本会是一个非营利组织，随着近年会员与活动的增加，现有会所空间已不敷使用，因此本会决定购置更宽敞的会所，以应付未来会务发展的需求。

□

2.

董事会已通过购置与现有会所同排，角楼毗连3个单位，作为新会所。新会所总面积合共约1万8000平方尺，并附带多个停车位。

□

3.

新会所购置费为420万令吉，加上手续费与装修费，总共须筹募600万令吉的会所基金。新会所底层约有6000平方尺的可租赁空间，日后的租金收入将可增加本会收入，成为日后举办活动的经费来源。

The Klang Chinese Chamber of Commerce and Industry (KCCCI) was founded as a non-profit organization 71 years ago. Due to its increasing memberships and frequency of activities in recent years, its existing premises are no longer adequate. In view of this, the Chamber has decided to acquire a more spacious building to cater for its future development needs.

□

2. The Chamber's Council has resolved to acquire three (3) units of shop lots adjacent to the Chamber's existing premises to house its office. The new building has a total built-up area of approximately 18,000 square feet and a number of parking bays.

□

3. The purchase price of the new building totals RM4.20 million. This together with the miscellaneous expenses and renovation cost will amount to about RM6.0 million, which is the sum to be raised by the Chamber. The total area of the ground floor of the new building measures some 6,000 square feet which will be leased in future to generate income for the Chamber to be self-sustained and for funding the Chamber's future activities.

□

4. The Chamber sincerely appeals to its members, the business community and well-wishers to contribute generously towards its fund raising drive to realise its planned acquisition of the new building. With bigger, and more spacious premises, the Chamber will provide better and more effective services to its members, thereby uplifting their business competitiveness. The new premises will offer a more conducive space for members to conduct their activities.

□

We enclose herewith a copy of our Building Fund Contribution Form for your attention. We look forward to your favourable response.
