□

The 6th International Greentech & Eco Products Exhibition and Conference Malaysia (IGEM) 2015 will be held from 9 - 12 Sept 2015 at Kuala Lumpur Convention Centre (KLCC). The event is organised by the Ministry of Energy, Green Technology and Water. IGEM 2015 is a platform for industry stakeholders to showcase their latest innovation and creative development on green technology and eco products for sustainable consumption and production.

□

In conjunction with IGEM 2015, the Malaysian Investment Development Authority (MIDA) will provide consultation services during the MIDA Business Consultation session from 9 -12 Sept 2015 and deliver presentations on investment opportunities in green technology and biomass industries at the Green Talks sessions on 10 and 11 Sept 2015.

□

The MIDA Business Consultation session will provide opportunities for companies to meet with MIDA officials to obtain updates and seek advice on government policies, incentives, facilities and support services available for local and foreign investors. The session will focus on renewable energy, energy efficiency, green transport, green building materials, waste and waste water recycling, waste treatment and etc.

□

MIDA is the government's principal agency for the development and promotion of the manufacturing and selected services sectors in Malaysia. MIDA also evaluates applications for Manufacturing Licence, tax incentives, expatriate posts, and import duty exemptions on raw materials, components, machinery and equipment in the manufacturing and selected services sectors.

□

Green Talks sessions will be the platform for MIDA to disseminate information and to engage with companies interested to invest in the manufacturing and services sectors. MIDA's presentation at Green Talks will cover information on opportunities for investment as well as guidelines, rules and regulations with special focus on incentives and facilities available for green projects and activities.

□

MIDA looks forward to and welcomes your participation at this event. Please pre-register your participation by completing the attached form and submit to cleantech@mida.gov.my immediately. Detailed information about the event can be accessed at <http://www.mida.gov.my/home/event-details/74/>
